**INDEPENDENT AUDITOR'S REPORT**

We have audited the accompanying statement of assets, liabilities and net assets - modified cash basis - of Double Oak Community Church as of December 31, 2011, and the related statement of support, revenue, expenses and net assets - modified cash basis for the year then ended. These financial statements are the responsibility of the Church's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion the financial statements referred to above present fairly, in all material respects, the financial position of Double Oak Community Church as of December 31, 2011, and its activities and changes in net assets and cash flows for the year then ended, on the basis of accounting described in Note 1.
